## OUR NEXT GOVERNOR

Many of the leading newspapers  
of the state are freely predicting the  
election of Hon. Theodore A. Bell  
for governor of California.

On the broad patriotic ground  
that his election is for the good of  
the state and the best interest of  
the people, scores of Republican

HON. THEODORE A. BELL.

papers have laid aside their political  
prejudices for this local office and  
have come out earnestly and urge  
the people to support Bell for  
governor. The average voter can  
generally see pretty well what is  
for the good of this great state and  
it seems to any disinterested ob-  
server that Theodore A. Bell will  
be the next governor of California.  
A vote for Bell is a vote to honor  
the state and a fearless and able  
young statesman who deserves the  
honor.

## ILLUSTRATED LECTURE

Rev. H. H. Wikoff of Berkeley,  
will give a lecture illustrated by  
stereoscopic views on "Beginning of  
the Kingdom on the Pacific coast"  
next Sunday evening at the Con-  
gregational Church. He will also  
show a few slides of stricken San  
Francisco. He is expected to  
preach in the morning in the Con-  
gregational Church.

Mr. Wikoff will be warmly wel-  
comed here because he was for  
many years pastor of the Congrega-  
tional Church of Sonoma and is  
now the Field Secretary of the Con-  
gregational Church Building Soci-  
ety. All are welcome.

## Bruening's Bakery And Restaurant

For over a year Bruening's  
Bakery and Restaurant was located  
in the Peppe building on the north  
side of the plaza but on account of  
an increase in the volume of  
business it was necessary to obtain  
larger quarters. He is now located  
in the Dal Poggetto building on  
Napa St. above the post office.

Bruening's bread and pastry ex-  
cell in quality and the meals he  
serves at all hours satisfy the  
most fastidious.

For a good square meal or any-  
thing good to eat in this line call  
on Bruening. You'll get what you  
want and you'll be satisfied. Don't  
forget the place—Bruening's, Dal  
Poggetto building Napa, street  
near the post office.

## A WARNING

It is said that orders already on  
hand by nurserymen indicate that  
the demand for peach stock for  
planting will be unprecedented and  
run entirely beyond the supply of  
the nurseries of the State. There  
is some fear expressed lest the  
importations which will apparently  
be inevitable should result in the  
introduction of the "yellows," from  
which this State has thus far been  
free. Purchasers are advised to  
be very particular in inquiring  
into the place of growth of any  
peach stock which they may buy.

Trimmed Hats. Ready to wear  
hats, all now on sale. Hats.

FRUIT TRAYS

Can be had in quantities to suit at  
Adler's Planing Mill, Spain street.

Every one invited to inspect our  
Winter display of hats. New designs  
constantly arriving. G. H. Holz

## FRED G. NAGLE

While there may have been a few  
exceptions and doubtless are, the  
rule has been that the citizens of  
Sonoma County elect the best men  
to fill the county offices.

The wisdom of the practice was  
proven by the election four years  
ago of the present Recorder, Fred  
G. Nagle.

There is no better qualified man  
in the state for the position of Coun-  
ty Recorder, than Fred G. Nagle,  
and his first term a careful, correct  
efficient work was confirmed  
by the people in his in-  
terity and ability.

The good town serves another  
and we believe that Mr. Nagle will  
get the second term as he deserves,  
by an increased majority.

The intelligent voters are aware  
of the public value of giving hon-  
est, efficient and accommodating  
officials a second term. Sonoma  
Valley promises to roll up a fine  
majority for Fred G. Nagle,  
Republican nominee for Recorder.  
Read his political card in another  
column.

## SUPERIOR COURT NOTES

Monday was a busy day in the  
Superior Court of this county, and  
at the time the calendars were  
called there was a large gathering  
of lawyers and clients and specta-  
tors. In the absence of Superior  
Judge Burnett on his campaign  
Superior Judge Seawell called the  
calendars in both departments. A  
resume of the day's proceedings is  
as follows:

The motion for a new trial in the  
suit of Reynolds vs. Leach, et al.,  
was submitted and taken under ad-  
visement.

The suit of Evans vs. Smith was  
referred to the Court Commis-  
sioner. The suit of Patton vs. Patton  
was submitted.

The petition to set aside the  
homestead in the estate of Mary E.  
Scott, was granted.

The suit of Young vs. Young  
was referred to the Court Commis-  
sioner. A similar order was made  
in the suit of Bugbee vs. Bugbee.

The demurrer was submitted in  
the suit of Jack vs. Burns.

The suits of Pozzi vs. Boswell  
were continued to November 12;  
Wassilko vs. Wassilko to Octo-  
ber 29; Hargraves vs. Hargraves,  
to October 23; Shannon vs. Lind-  
sey, to December 11th.

A sale of realty of the estate of  
Mabel Thomas, et al., minors, was  
granted in a bond of \$7,000.

A sale of realty of the estate of  
Jemima J. Blackburn was con-  
firmed to Emma H. Blackburn in a  
bond of \$1,900.

These probate matters were con-  
tinued: Estate of Sarah J. Jamison,  
to October 29; George H. Morrell,  
to November 12; Lizzie Sophia  
Bork, et al., Hannah H. Paxton, to  
November 12.

These matters were continued:  
People v. Grill, to November 12;  
People vs. Compton, to November  
5; People vs. Wendell Rudduck,  
People vs. Biggins, Wheeler vs.  
Wheeler, Burns, vs. Flamigan,  
Pellascio vs. Taylor, Maionchi vs.  
Michellini, to November 12; estate  
of Alice Seawell, to October 29;  
French-American Wine Company  
vs. Garret, et al., (reset for Dec-  
ember 4; Annie Simoni vs. Rich-  
ard Lachmann, to October 29th,  
Rayner vs. Rayner, to October 29.

In the matter of the estate of  
the late Sarah J. Jamison, the con-  
testants were allowed until October  
26 to file an affidavit of probable  
merit.

Dick Bill was arraigned and his  
entry of plea was set for October 26  
The court appointed A. M. John-  
son and L. L. Jewett to defend  
Bill, who is charged with murder.  
A special venire of jurors was  
called for the trial of the case of  
the State against Brooks, charged  
with grand larceny.

Satisfactory, substantial work at  
reason able prices brings business  
That is why Wm. Truogen the  
stone mason, is so busy at the  
present time. Call and see him.

## CLARENCE F. LEA

Clarence F. Lea, Democratic  
nominee for District Attorney is  
making a winning fight for the  
office and the reasons therefore are  
easy to see.

He is eminently qualified to pro-  
perly fulfill the duties of district  
attorney and every body knows  
this to be true.

He is an attorney whose suc-  
cessful practice for several years  
proves that he is able, fearless and  
aggressive and these qualities  
coupled with his high sense of  
honor and strict adherence to duty  
at all times make him an ideal  
district attorney.

We believe no one would ever  
regret voting for Clarence F. Lea,  
for this office unless he con-  
templated committing some crime  
after election. If so, his chances  
of escaping conviction with Clarence  
F. Lea as district attorney are very  
slim.

## SONOMA COUNTY NEWS

One estimate places this year's  
wine yield in this state at about 33,  
500,000 gallons.

The Santa Rosa flour mills began  
operations again. They were badly  
injured in the big April quake.

It is figured that the section of  
Gold Ridge, Sonoma county, re-  
ceived this season \$160,000 as pre-  
ceeds for its evaporated apples.

As a birthday present on his  
twenty-first birthday Albert Hirth  
of Santa Rosa received \$10,000 from  
the estate of his grandfather in  
Germany. The young man is  
naturally elated over the substantial  
bequest.

The big railroad drawbridge of  
the California Northwestern crossing  
Petaluma creek just south of that  
city has been equipped with an  
electric motor for turning the struc-  
ture when necessitated by the  
passing of steamers up and down  
the creek.

Sixteen thousand varieties of  
potatoes will be planted this season  
by Luther Burbank on his experi-  
mental farm near Santa Rosa. The  
new potato is to be of more uniform  
size, will be a bigger producer and  
more nutritious. It will also be  
practically impervious to disease.

A fire in Petaluma last Sunday  
was started by two children play-  
ing with matches, entailing a loss es-  
timated at \$5,200. George P. Mc-  
Near is the principal loser and he  
was uninsured. Egan Brothers lost  
\$1,000 worth of hay, no insurance.  
Hickey & Vonsen, and A. Kahn,  
who lost \$500 and \$400 worth of hay  
respectfully, were insured.

## PURE BLOOD IS VITAL

Not everyone realizes the vital  
necessity of keeping the blood pure  
at all times. Impure blood not  
only causes various derangements  
and inability to perform one's  
work well, but gives a ready wel-  
come to all germs of disease with  
which it comes in contact. It is  
the rankest extravagance to allow  
the human blood to remain in an  
impure or impoverished condition.  
"Our Standard Remedy" is the  
safest, purest and best blood puri-  
fier on the market to-day. It is a  
new remedy, a purely vegetable  
preparation composed of roots,  
barks and herbs, and contains no  
calomel or other injurious or metal-  
lic drug. 20¢ doses for \$1, with a  
written guarantee that your money  
will be refunded if you are not  
cured of all troubles caused directly  
or indirectly by bad blood. You  
can purchase this wonderful new  
remedy at Clewe's. John McNeil,  
sole agent for Sonoma County,  
Olm's Sulphur Springs, Sonoma.

## TWO BURGLARIES

Two burglaries were committed  
last Sunday night in Santa Rosa;  
thieves entered King's Grocery  
and Sukalle's meat market, obtain-  
ing small booty in each case. No  
clue as to the guilty parties has so  
far been obtained.

FRIDAY OCTOBER 26, 1905

A vote for Fred G. Nagle, Republican nominee for Recorder, is a vote for a tried and true officer, who is clearly entitled to a second term.

It's a pleasure to vote for a deserving young man of character and ability. Vote for Clarence F. Lea for District Attorney and enjoy that pleasure.

Don't forget that Sonoma county has one of the best assessors in California. Let us keep that distinction by keeping Frank E. Dowd right where he deserves to be, in the Assessor's office.

It is good politics as well as good citizenship to refuse to endorse by your vote, a political mistake in nominating a dishonest or incapable man for office. You are doing your party a good service by refusing to adopt the error.

### CONSERVATIVE ESTIMATE.

Conservative men who thoroughly understand the political situation in this county are estimating DeWitt Montgomery's majority at 600 or 700 votes. Mr. Montgomery himself is confident of election on account of the multitude of voluntary assurance he has received not only from Republicans but from other political parties as well and the cordial reception with which he is received where ever he goes.

Among the many good reasons urged why he should be elected superintendent are:

1. His qualifications; manly, up right with a high sense of honor and a thorough appreciation of the important duties imposed upon the Superintendent of Schools.
2. His educational training; graduate of the grammar school, high school and Stanford University from which latter institution he earned the title of Bachelor of Arts and later Master of Arts.
3. He has had wide experience in his chosen profession, having taught several years with marked success in grammar and high schools.
4. He is acknowledged to be one of the best educators in the State of California to-day. As a proof of this the fact may be stated that he has received at the beginning of each school year since being elected Principal of the Sonoma Valley Union High School, very flattering offers of principalships from some of the best high schools in the state. It is also true that his work in our high school has been approved and highly praised by the State Board of Examiners of the University and the Sonoma high school is now on the accredited list of the University.
5. Educationally speaking he is the best qualified person who ever sought for or held the office in this county.
6. His was a case of the office seeking the man, his nomination by acclamation coming to him without any solicitation on his part whatsoever.
7. Taking all these facts into consideration together with practically the full support of his party and that of hundreds of Democrats and independent voters, his election seems assured by a large majority.

### ABE WAS RIGHT

Abraham Lincoln once said that it made little difference what political party an officer belonged to so long as he was a true patriot and an honest man; honesty in official life being the safe guard of good government.

We have ever remembered this belief of the greatest American, and the longer we live the more we believe in such doctrine. Good citizens vote for the best men, poor citizens adopt the "Yaller dog" theory.

## WE'RE ENTITLED TO IT.

Sonoma Valley has but one representative on both tickets in this campaign and feels that our large, populous and growing section is entitled to at least one representative in the courthouse in Santa Rosa. We do not believe that all available material for county officials is to be found only in Santa Rosa, and we do believe that the voters of this county will show by their votes on Nov. 6 that they believe in passing the honors around a little.

Santa Rosa has many worthy candidates on the two tickets, and she is entitled to her share of representation of course but to no more.

It is fairer, it is better that qualified men should be selected from the various parts of the county to fill the different county offices, and Sonoma feels that as her candidate is the best qualified person who ever asked for the position of Superintendent of Schools, and is asking for but one representative at the county seat she is certainly justified in expecting his election.

### DUTY FIRST

These are the busiest times in the county clerk's office and on this account Fred L. Wright has been unable to leave his office and make a personal canvas for reelection.

Mr. Wright is all right; he is going to see to it personally that all the duties of county clerk are fully and properly carried out if he never gets elected.

His host of friends in Sonoma Valley, all the old ones and scores of new ones are not going to see him lose by reason of his sticking to his post of duty so closely. This characteristic of the man who as teacher and as clerk always did his whole duty, fearlessly, impartially and unsparringly.

Fortunate indeed is this county or any other that has men of the character and ability of F. L. Wright to serve them in public office.

He has served one term faithfully and well and the good judgment of the voters of the county are going to appreciate the high standard services by re-electing him to the office of County Clerk.

### AN UPRIGHT JUDGE

One of the ablest jurists in the whole state to-day is Judge C. E. McLaughlin, candidate for Associate Justice, District Court of Appeal, Third District.

Born and raised in the northern part of the state, his life is an open book, and official career is without a mar or blemish. On the contrary the many positions of honor and trust the people have extended this distinguished citizen, have always been filled by him with fairness and marked ability.

He is a pure and upright man not only in private but also in his judicial career and should be elected to a judgeship of the Appellate Court.

He is the incumbent of the office having been appointed by Gov. Geo. C. Pardee solely on account of his ability and integrity and regardless of party affiliations.

### New Sunday School Work

A strong movement is on foot throughout the United States and Canada to place the Sunday school of all the Evangelical Churches, irrespective of creed, on a rational practical plan of systematic teaching similar to that of the public schools.

Various graded systems are taking the place of the old way, which often lacked any system at all. Boys and girls frequently grew dissatisfied when kept in classes into which, for some reason or none, younger children were brought, and were the standard of teaching more or less altered to suit the understanding of the younger minds.

Parents too, have often complained that after years of attendance, the child somehow did not seem to know very much about the bible, particularly the historical parts.

Hence arose the question, "What can be done to improve the Sunday school?" And it resulted with the formation of a now powerful International S. S. Association.

In California the work is being carried on by a state branch, with field officers in every county and district. The Sonoma Valley District will hold its 22nd annual meeting on Nov. 22nd in Glen Ellen.

In our own town, the Congrega-

tional Sunday school has lately been re-organized into a graded school, using as a starting basis the standing of the pupil in the public school. Promotions will occur annually with certificates.

The Reds and Blues contest, which has proven popular in Eastern and in Y. M. C. A. work, is to be inaugurated.

### DEMOCRATIC RALLY

The Democratic County Nominations will meet and speak to the people of Sonoma, next Monday evening Oct. 29, in Union Hall. A social dance will follow the speaking. Everybody invited.

### Voting Places in Sonoma Valley.

The following is the location of the voting places, in Sonoma valley as designated by the county supervisors; also the names of the citizens who will take charge of the ballot boxes:

Death of G. H. H. Cornelius

The funeral of the late G. H. H. Cornelius, who passed away at the age of 66 years, in this city on Tuesday evening, took place from his late residence near the C. N. R. depot yesterday afternoon and was largely attended. Rev. C. C. Cragin officiated. Interment was in Mountain Cemetery.

Deceased had been ailing for some time and since the awful disaster of April 18th, has not been at all well.

George H. H. Cornelius was a good honest man, highly respected and generally beloved by a wide circle of friends.

He has been honored by his fellow citizens of Sonoma, being for many years its city treasurer.

Deceased was a prominent member of the I. O. O. F. lodge of this city, under whose auspices the funeral took place.

He leaves a wife and several children to mourn the loss of a kind and loving husband and father.

### Distressing Accident.

Wednesday morning at about half-past nine o'clock while Adolph Lugens was working the large ice cream freezer of the Lugens' Candy Parlors on Napa street, by some unaccountable way, the fingers of the left hand became caught in the revolving cog wheels. The freezer runs by electricity and before the machine could be stopped three fingers was painfully crushed and lacerated. A doctor was immediately summoned and upon examination it was found necessary to amputate a portion of two fingers.

The unfortunate young man is now getting along as well as could be expected and it is hoped that the painful wounds will soon heal.

### Money to Loan

Five Hundred dollars, or more, at current rate of interest.

## DIRECTNESS AND ACCURACY.

Dr. Pierce's AIM ALWAYS HAS BEEN to give positive and VALUABLE SERVICE for every dollar received, therefore when he began his professional life he sought to

AIM STRAIGHT TO HIT THE MARK.

especially in the treatment of a very large class of cases that were being neglected by many physicians, and thereby to the roots which Nature had provided so plentifully for the healing of MANKIND.

Thoroughly convinced that alcoholic stimulants and medicines prepared with alcohol did far more harm than good, Dr. Pierce prepared his remedies, extracted their virtues and preserved them without alcohol, then, guided by actual experience, formed combinations by which a minimum of medicine produced the maximum result.

This insured his success and gave him the reputation of "the successful specialist," and, quite naturally, the prescription that he thus used most became "this FAVORITE," and was the origin of

Dr. Pierce's Favorite Prescription as now known. In no sense is it a "patent medicine," or even a secret one, but a REAL PRESCRIPTION OF A REAL DOCTOR.

that had run into great popularity because it cured more than ninety-eight out of every hundred of the cases in which it was correctly used.

One of the important ingredients of this now world-famous "FAVORITE PRESCRIPTION" is

BLUE COHOSH ROOT,

which was in great repute among the American Indians a century ago. The squaws used it for the relief of their special troubles, particularly for the easing of the pains of maternity, calling it "Pawpaw root." Then there are four other ingredients in this "Prescription," namely, Lady's Slipper, Black Cohosh root, Golden Seal root and Unicorn root.

It Stands Alone not only in respect to its known composition, but also as the only specific, advertised remedy for women's diseases which absolutely CONTAINS NO ALCOHOL.

It Stands Alone as the one medicine for which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "FAVORITE PRESCRIPTION" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

1000-page Doctor Book sent free on receipt of 21 one-cent stamps to cover postage only. 34 stamps for cloth-bound copy. Formerly sold for \$1.50 to extent of over 60,000 copies. Every family should possess a copy for ready reference in case of sudden illness or accident. It is illustrated with hundreds of woodcuts and several colored plates. Address: Dr. R. V. Pierce, Buffalo, N. Y.
